

A Bill to Banish Physician Assisted Suicide

1 Be it enacted by the Congress assembled here that

2 Article 1. The United States government shall ban Physician assisted suicide
3 due to its implications and violations against ethical morals.

4 Article 2. Assisted physician suicide would go against all human morals and
5 would promote the uselessness of life and would encourage a
6 violent society in which lives are worthless.

7 Article 3. The penalty for violating this bill would be the capital punishment
8 of death, if the sum of \$500,000 cannot be paid to replace and
9 quench family costs,

10 Article 4. This bill will be fully enforced by the American College Of
11 Physician Executives, and will go into effect within a year of being
12 submitted.

13 Article 5. All other bills, laws or residing conflicts against this bill are hereby
14 deemed null and void.

Respectively submitted,
